Affirmative Action Plan
for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies’ affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government.

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWD) Answer No
   b. Cluster GS-11 to SES (PWD) Answer Yes

   AmeriCorps is below the 12% benchmark for the representation of PWD in this cluster.

   *For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWTD) Answer No
   b. Cluster GS-11 to SES (PWTD) Answer No

   AmeriCorps currently exceeds the 2% benchmark for PWTD at 2.68% of the workforce.

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

   During management meetings, hiring managers are told the percentage of our workforce which is comprised of PWTD, and reminded of the efficacy of using Schedule A to interview and select PWD.

Section II: Model Disability Program

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.
A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If “no”, describe the agency’s plan to improve the staffing for the upcoming year.

   Answer  Yes

   Our Disability Program Manager has staff to assist with this task.

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

Each announcement on USAJobs allows for applicants to identify themselves demographically. The postings also include the contact information for requesting a reasonable accommodation during the application process. See Section IV (A) below for additional plans.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

Every job and every internship posted for hiring includes Schedule A hiring authorities and PWD are encouraged to apply.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual’s application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

To determine whether an applicant is eligible, AmeriCorps reviews the documentation provided at the time of application. Once the applicant’s eligibility under Schedule A is determined, the information is forwarded to the hiring manager along with an explanation of Schedule A, and our process for hiring candidates under this authority.

4. 
Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.

Answer  Yes

Training on disability and reasonable accommodation is part of the annual training cycle for all managers and supervisors at AmeriCorps. Managers and employees are required to complete the annual training cycle each calendar year.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

We will continue our participation in the Workforce Recruitment Program which is jointly administered by U.S. Department of Labor’s Office of Disability Employment Policy (ODEP) and the U.S. Department of Defense’s Defense Human Resources Activity’s (DHRA) Diversity Management Operations Center (DMOC). AmeriCorps plans to participate in the semi-annual job fairs at Gallaudet University. We will continue to look for additional ways to connect organizations which assist PWD in finding employment. Our draft plan for FY2021-FY2022 has additional plans. See Section IV (A) below.

C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If “yes”, please describe the triggers below.

   a. New Hires for Permanent Workforce (PWD)  Answer  No
   b. New Hires for Permanent Workforce (PWTD)  Answer  No

AmeriCorps is slightly higher than the benchmark for PWTD. We believe the workforce may be hesitant to self-identify as having a disability. AmeriCorps has also not engaged in resurveying the workforce and encouraging self-identification in FY2020, but has plans to do so in FY2022. See Section IV (A) below.

If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

### Section V: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

**A. ADVANCEMENT PROGRAM PLAN**

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

**AFFIRMATIVE ACTION PLAN FOR HIRING AND RETENTION OF VETERANS AND PERSONS WITH DISABILITIES FY 2021 AND FY 2022 -UPDATED AUGUST 2022**

Introduction

AmeriCorps is committed to supporting hiring and retention of a diverse and high-performing workforce to meet mission needs. Assess Determine what baseline data we have related to hiring and retention of Veterans and Persons with Disabilities and review this data. For example (not all-inclusive): Hiring - Number applicants applying under schedule A - Number of reasonable accommodations requested during interview or where applicant provides accommodation on their own (ex. ASL interpreter) - How many are hired - Number of applicants applying with disabled Veteran preference - Number of Veterans who apply and are eligible for Veteran’s preference - Number of reasonable accommodations requested during interview or where applicant provides accommodation on their own (ex. ASL interpreter) - How many are hired - Current Staff - Budget for reasonable accommodations - Number of employees requesting reasonable accommodations and average timeframe from request to approval/denial to receipt of accommodation - Number of staff identifying as having a disability (this baseline will be useful for comparison after the campaign place); number of staff identifying as Veterans with a disability Campaign AmeriCorps is planning a campaign to encourage the workforce to disclose disability status called “It’s as Easy as My EPP.” In this campaign we will educate the workforce as to why it is important to self-identify disabilities. The title of the campaign comes from the ease of going their workforce profiles in NFC’s Employee Personnel Page and update their status. AmeriCorps will include some facts in the campaign on the confidentiality of the information, who has access to it, and how it is used. Create and Refine the Culture - Staff may need additional guidance on how to request things including accommodations; this starts with supervisor training as well as staff onboarding and then there needs to be a mechanism to ensure regular and consistent communication. Reasonable
accommodations language and guidance is included in every AmeriCorps offer letter. Recruit and Hire -Recruiting externally -AmeriCorps is pursuing a DEIA strategy that seeks to expand the number of PWD and PWTD. One example of an action AmeriCorps will take is to target promotion of our job and service opportunities through various outlets and promote our paid internships – a pipeline to Federal employment – with universities like Gallaudet University and other similar higher education institutions. -As mentioned earlier, AmeriCorps is planning for an expanded effort to promote diversity in our recruitment and retention efforts under our DEIA initiative. -AmeriCorps will add a section to our draft Diversity and Strategic Plan for the recruitment and retention of PWD and PWTD. This is also a focus of our DEIA Equity Team efforts and will be incorporated into our planning for the new Recruitment Unit focused on members and volunteers, as well as our human capital planning efforts resulting from the recommendations of our Equity Team subcommittee devoted to fostering an equitable workplace. -The agency may explore specific outreach to disability related advocacy organizations, colleges and career centers, disability-related job fairs, independent living centers, Employer Assistance and Resource Network (EARN), Workforce Recruitment Program (WRP) through Dept of Labor (DOL) and Office of Disability Employment Policy (ODEP) rehabilitation agencies, workforce recruitment program, Ticket to Work (Social Security Administration). In addition, subcomponents of each of the agencies could be potential outreach opportunities such as Dept of Labor-Vets, Social Security Administration-Vets, and state/District Vocational Rehabilitation Offices (VR). Non-Profit Organizations (NPOs) that provide Medicaid waiver services to PWD may also be a recruitment opportunity for employment and volunteers. -AmeriCorps will renew its commitment to participation in the Workforce Recruitment Program (WRP) by conducting its own internal recruitment drive to get its workforce to participate, and by advertising its internship opportunities on the WRP website. The WRP is a recruitment and referral program that connects federal and private-sector employers nationwide with highly motivated college students and recent graduates with disabilities who are eager to demonstrate their abilities in the workplace through summer or permanent jobs. Home - Workforce Recruitment Program (WRP) Internships -AmeriCorps will advertise the availability of internship programs across many colleges and universities that cater to targeted populations. -Federal Pathways Program -Advertise AmeriCorps internship opportunities through job preparedness programs for the disabled. Some examples include agencies like Melwood, The Arc, SEEC, Ardmore, EasterSeals, National Organization on Disability, and local school districts that have transition programs for students. -AmeriCorps is reviewing the entire selection process to identify opportunities to improve overall candidate experience, interviewer competence, and documentation to include accommodating employees who request it during the interview process. -Education of AmeriCorps Hiring Managers: AmeriCorps is piloting an HR for Supervisors course, which cover hiring and all our flexibilities, to include Schedule A, hiring Veterans, etc. -AmeriCorps is working to incorporate practices that will ensure hiring managers understand all their options for filling positions. One example of a strategy under consideration is a checklist for staffing specialists to support hiring managers with Schedule A and veterans’ hiring authorities for those applicants with a service-connected disability of 30% or more. -AmeriCorps is considering strategies that will support hiring managers in considering qualified Schedule A candidates for positions in advance of advertising or posting the position announcements. -AmeriCorps will create a training session for all supervisors about the use of special hiring authorities and require it as a part of an annual or bi-annual training plan. (Lack of this training is a noted deficiency noted by the EEOC in its most recent letter to AmeriCorps). Retain, Resources, Support, Connections -For staff who are new hires who have a disability and/or are Veterans, having access to leave and other benefits and flexibilities during their first year when they may not have access to FMLA or have accrued leave time, is crucial. It is recommended that the agency identify what resources might support someone during their first year including maxiflex, credit hours, the voluntary leave bank, Veteran specific leave, etc. -AmeriCorps will start an affinity group for PWD. This group has started as of the Summer of 2021 and is called the Disability Action Group (DAG). This group can help us identify barriers to access and to full participation at AmeriCorps. It will help with retention because PWD will have a space to share successes and difficulties as they negotiate our workspace. This affinity group will also help educate the workforce on matters such as disability etiquette and how to be an ally. A needs survey has already been conducted in FY 2021. (DAG has started). An Affinity group for PWD began in 2021 called Disability Action Group (DAG). This group will need continued and increased support in terms of finalizing a policy, designating leaders, and guidance on how to build capacity within AmeriCorps. Developing and finalizing a budget that can be used towards trainings, speakers, and developing materials that can be used as tools to leverage expertise as PWD working in government to support accessibility and inclusion at AmeriCorps -DAG can be a support, and it is also all volunteer-led. As part of the multi-faceted approach to hiring and retaining staff identifying with disabilities, it will be crucial to simultaneously develop a way to build capacity within affinity groups. This includes leadership development, training, budgets, resources, inclusion in work groups, and input into recommendations for persons experiencing disabilities. (Not doing for but asking and doing together). -For onboarding, it is recommended that the agency support staff with a questionnaire related to their needs which could include, additional equipment requests with OIT upfront such as screen reader support, bluescreen, etc. -AmeriCorps will develop additional questions new employee orientation (NEO) survey. These questions will relate to the accessibility and formatting of NEO and the documentation new employees need to submit as a part of the onboarding process, to see what can be improved for PWD. -It is recommended that the agency do an annual disability survey to continue to have a pulse on disability needs including staff with disabilities as well as staff who are supporting family members with disabilities. -AmeriCorps supervisors will be encouraged to set calendar reminders to check-in with their employees who have new reasonable accommodations within 30-45 days of the effective date of the change. This will help make sure the accommodation is effective and allowing the employee to perform their job duties successfully. The purpose is to encourage employees to seek needed adjustments and identify problems before performance issues arise. -Promote the virtual
feedback box so that staff can share feedback that they might have on their experience at AmeriCorps. - Using Human Centered
Design, AmeriCorps will be looking at the overall employee experience to gather information on pain points and bright spots. As a
result, we will piloting different programmatic approaches and strategies, testing and monitor them, and gather feedback.

B. CAREER DEVELOPMENT OPPORTUNITES

1. Please describe the career development opportunities that the agency provides to its employees.

AmeriCorps does not currently have any formalized career development opportunities, but is striving to develop such opportunities. AmeriCorps continues to support a learning culture as part of its commitment to becoming a best in class learning organization. In FY 19, we began exploring a contract with Management Concepts to offer our staff unlimited access to their online and in-person offerings. We launched this contract in October 2019 to offer more than 25 professional certificate programs and specialty tracks for various professional development goals. This resource is substantially increasing training and development opportunities for all of our employees. Employees can select classes based on their interests rather than being based solely on their current positions. The classes are accessible, and materials can be provided in alternative formats when needed. AmeriCorps offers a 40 hour supervisors training course at least twice a year, and non-supervisory employees can enroll. This class meets OPM’s standards for new supervisor training. The open enrollment for this course allows participants to prepare to take on supervisory roles and is a great tool for advancement.

2. In the table below, please provide the data for career development opportunities that require competition and/or supervisory recommendation/ approval to participate.

B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES
Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency’s public website for its notice explaining employees’ and applicants’ rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

**C. REASONABLE ACCOMMODATION PROGRAM**

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

The average time frame for processing initial requests for reasonable accommodation is 10 business days, with most requiring less time. Our policy allows up to 30 days. If the requested accommodation is going to require more time, such as when there is a need to order special equipment, an interim accommodation is offered when possible.

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency’s reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

The average time frame for processing initial requests for reasonable accommodation is 10 business days, with most requiring less time. Our policy allows up to 30 days. If the requested accommodation is going to require more time, such as when there is a need to order special equipment, an interim accommodation is offered when possible. Managers also receive training on reasonable accommodation as a part of the agency's annual training cycle.

**D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE**

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.
The average time frame for processing initial requests for reasonable accommodation and personal assistance services is 10 business days, with most requiring less time. If the requested service requires the initiation of a new contract, it may require additional time. The requesting employee is notified, and the agency looks for alternatives until the service can be provided. When the need is intermittent, the agency works with the employee to establish lead times for requesting the service to make sure it is timely delivered.
