Department for the Blind and Vision Impaired
Services for Business

What can we do for you?

Allow our team of business professionals to collaborate with you by understanding your business needs.

DBVI provides a number of services specific to business, including Diversity Awareness and Etiquette training.

DBVI works to optimize your recruitment process by delivering a pipeline of qualified individuals.

By partnering with DBVI, you will transform your workplace and hire qualified individuals at no cost to you.

Professionals can boost productivity by performing job assessments for staff with vision impairments.
DBVI Services to Business

- **Recruitment** - DBVI assists businesses seeking to recruit individuals with disabilities.
- **Retention** - DBVI offers job retention services to blind or vision impaired individuals to maintain current employment.
- **Federal Contracting Recruitment** - DBVI offers expert guidance surrounding Section 503 and hiring individuals with disabilities.
- **Disability Awareness & Etiquette Training** - DBVI will deliver exceptional training to large corporations and small business partners alike.

Incentives Available for Employers

- **On the Job Training** - Once a career seeker is hired, DBVI will reimburse a portion of the wages paid out during their time of training, back to the business.
- **DBVI Paid Internships** - Individuals are paid through a third party staffing agency while training at a workplace that is in line with their education.
- **Tax Incentives** - DBVI will work with employers to learn about the available tax credits and incentives for hiring individuals with disabilities.
