FEED Meeting Resources: February 14, 2024

Resources from the Department of Labor’s Office of Disability Employment Policy (ODEP)
ODEP has released a wide range of neurodiversity and mental health resources, including from its policy development and technical assistance centers and projects. These resources and archived webinars and training sessions appear below:

ODEP’s Employer Assistance and Resource Network on Disability Inclusion (EARN)
- Neurodiversity in the Workplace Guide
- Workplace Mental Health Toolkit
- Webinar recordings on Neurodiversity: Dispelling of Myths, General Awareness, and How to Build a more Inclusive Work Environment and Hiring and Supporting Neurodivergent Workers: Strategies for Success
- Webinar recordings on Strategies to Promote Culturally Competent Mental Health Awareness in Workplaces, Navigating Mental Health in Skilled Trade and Industrial Occupations, and Mental Health and Wellness in the Workplace
- Training on Creating a Mental Health-Friendly Workplace and training video on Mental Health in the Federal Workforce

ODEP’s Job Accommodation Network (JAN)
- Neurodiversity at work webpage
- A to Z Library on accommodations for specific disabilities, such as autism, mental health conditions, and intellectual disability
- Webinar recording on Accommodation Solutions for Neurodivergent Workers and upcoming webinar (April 11, 2024) on Accommodating Employees with Diverse Cognitive and Neurological Needs
- Free, confidential, and expert assistance and brainstorming, such as with experts on the JAN Cognitive and Neurological Team (Live Q&A session with this team on May 9, 2024)

ODEP’s project on Research Support Services for Employment of Young Adults on the Autism Spectrum (REYAAS)
- Programs, Models, and Strategies to Support Employment Outcomes
- Evidence on the Effectiveness of Programs, Models, and Strategies to Support Employment Outcomes
- Barriers and Facilitators to Employment and Careers
- Vocational Rehabilitation Characteristics, Service Use, and Outcomes
Resources from MITRE and the Neurodiverse Federal Workforce initiative

- The Value of Thinking Differently: MITRE’s Neurodiversity@Work’s Inclusive Outreach
- Intelligence After Next: Enabling Neurodiverse Talent in the Intelligence Community
- Federal Computer Week: Building Neurodiverse Tech Teams
- Pilot Increases Neurodiversity in Government (Performance.gov)

Resources from the NASA Neurodiversity Network

- NASA’s Neurodiversity Network website
- N3 STEM for All Introductory Video
- STEM for All Multiplex Webinar "Embracing Neurodiversity in STEM"
- Internship Final Project Report by Lucas Adrián Báez Massa
- Vanderbilt University's Frist Center for Autism and Innovation

Other Neurodiversity and Related Resources

- Disability:IN’s Neurodiversity @ Work Employer Roundtable and its Employee Engagement and Growth Series Playbooks and Autism at Work Playbook
- Interagency Autism Coordinating Committee, which supports work to implement the federal Autism CARES Act
- RAND report on Neurodiversity and National Security
- College Autism Network
- Neurodiversity at Work, Stanford Neurodiversity Project, Stanford Medicine
- NGA building on efforts to recruit ‘neurodivergent’ talent (federalnewsnetwork.com)
- Federal ‘neurodiversity’ initiatives slowly getting off the ground (federalnewsnetwork.com)
